The museum is a conglomeration of old and new buildings that fit together to form a whimsically haphazard neoclassical masterpiece. Begun in 1886 -- one of the oldest museums in the country -- the Cincinnati Art Museum prides itself as an industry leader. With over 60,000 works ranging from ancient times to present, as well as notable traveling exhibitions, the museum provides endless discoveries for even its own curators.

[Event on the Mount - Cincinnati, Ohio](#) - The event was held on the 4th of March 2012 at the Mount Adams Hotel in Cincinnati, Ohio. The event was a social gathering for the local art community and was held in the grand ballroom of the hotel. The room was decorated with large, colorful, abstract art installations made of many small, hanging objects, possibly beads or small figurines, in shades of red, orange, and yellow. The event was a success and was enjoyed by all who attended.
