Joe and I had the chance to meet some interesting guests that were staying at our hotel, [Playa Vik](#)

We ran into a couple from L.A. that we met back in Argentina at [La Bamba Estancia](#)

. They are real estate brokers who were at the end of their three week trip. Joe had the chance meet the owner's son, an avid polo player. We met an interesting couple from Zurich, where the husband is a wealth manager for the Swiss banks. We really enjoyed this opportunity to meet so many colorful people.
